

## St. Cecilia School—Drop Off & Pick Up

Please see the below diagram of our drop off and pick up instructions.

- Please do not park within the 'bus' signs in the first and second parking sections (closest to education center)
- Preschool Drop Off Sign—will be in front of the main entrance for preschooler drop off and pick up only (see orange arrows)
- Drop off and pick up in front of narthex for K-5—if you are leaving the car, you may drop off and pick your child(ren) up in front of the narthex and exit the parking lot using the north entrance driveway, but please watch for cars and buses (see black arrows)
- If the cars coming in the east driveway are backed up and on Hoover Avenue, please go around to the north driveway and join the line through the last parking lot section
- If you want to walk your child(ren) into the school—please park in the parking lot beyond the 'bus' signs and walk your child(ren) into school, but please watch for cars and buses
