### 4. Stewardship Planning / Initiatives

Francine led a discussion on Goals and  
Initiatives/Objectives.

In following our Stewardship Mission and  
Vision, we are at the point of setting Goals and  
Initiatives. With the idea that goals should be  
general while Initiatives/Objectives should be  
more specific, we were able to begin a  
brainstorm session, inputting suggestions from  
the committee. In preparation for the May  
meeting, the committee was asked to brainstorm  
and return with goals and/or initiatives related to  
the first bullet point of our Mission Statement.  
(Please see the note from Francine attached for  
further instructions.)
