Help Us Close the GAP by Easter!

Right now we are short about \$105,000 to meet our obligations. To meet our income goal for this year, would you consider contributing a bit extra each week?

We have 1,500 households. If each household could give an additional \$5 per week for the next 3 months, we could close the GAP by \$90,000.

Please prayerfully consider how you can support our efforts to spread the Gospel. Thank you for your efforts and sacrifices.

God Bless You!
