

Columbarium Project at St. Cecilia Parish

Since cremation is increasing as a burial option among Catholics, discussion has begun about installing a Columbarium at St. Cecilia Parish. As we begin to plan, we would like to know what level of interest there is in such a project among members of the parish.

We are asking parishioners to complete the following form to show your interest or not. While an immediate number of interested people is important for us to know, we are also interested in projecting future interest as well.

This survey is only for the purpose of determining interest. While it is important for us to know if you have a definite interest in being inurned at St. Cecilia's should we install a columbarium, it is not binding.

Please check each of the following that applies:

_____ Should it be that St. Cecilia's installs a columbarium, I/we would be willing to purchase niche(s) at approximately \$1500.00 each. Each niche holds 2 urns.

_____ I/we would consider a tax-deductible contribution in order to bring this project to fruition.

_____ While, I/we do not plan to be inurned at St. Cecilia's, I/we support the idea of having a Columbarium at St. Cecilia Parish.

_____ Comments/questions: _____

Please return to the parish office by December 15th (via mail, email, take it to the parish office or drop it in the collection basket after Mass).

Name(s) _____

Phone(s) _____

Email Address(es) _____

Thank-you, St. Cecilia Columbarium Committee
