

Sunday DIVE

Season Two

Coming February 2

Do you ever find the Bible readings at Mass confusing, or disjointed, or just plain weird? If so, Sunday Dive is the **podcast** for you! Focusing on the upcoming Sunday readings, Katie Patrizio (Director of Faith Formation) spends each weekly episode exploring the **original language, historical backdrop, cultural environment, and Old Testament context** of the Scriptures, bringing the text to life and giving listeners a "surround-sound" experience of the Bible like they've never heard before. Tune in and discover why Chris Stefanick called Katie "**a POWERFUL speaker: intellectually deep, spiritually rich, and eminently practical.**"

Insightful

This is the best podcast to listen to before Mass to get a depth of knowledge on the weekly scriptures! I appreciate Katie's casual conversation that keeps me engaged (when other authors/scholars are too dry to hold my attention!)
