

Ladies and Gentlemen of the Parish, we need your help.

The Bereavement Committee and Funeral Luncheon Team are eager to resume. We feel with a few modifications we can safely get back to the business of assisting our parish families who have experienced a death. We will be very considerate of everyone's safety and comfort level, especially as we begin serving funeral luncheons again the middle of November. The menu will be limited for the time being and served through the window in the kitchen. Masks and gloves will be used in all preparation and service. Funeral guests may be asked to serve themselves some items to limit everyone's exposure. We need workers not only to help with funeral luncheons, but also to assist the Bereavement Committee by ushering, greeting, and attending the guest book at parish funerals. Please consider being part of a team who would occasionally, as your schedule permits, provide one or more of the services listed below. Training, when necessary, will be provided. Check all the duties you would be willing to perform.

Return this form in the weekend collection basket or to the parish office. If you have any questions, please call Diana Weber (515-291-8717) for information about funeral luncheons, or Mary Christy (515-231-4165) for information about assisting with parish funerals.
