

We can use additional help!

The Bereavement Committee and Funeral Luncheon Team have recently been able to successfully resume offering funeral luncheons to our parish families. Protocols are in place to be considerate of everyone's safety and comfort level.

A big thank you to the parishioners who have come forward not only to assist with funeral luncheons, but also to work with the Bereavement Committee by ushering, greeting, and attending the guest book at parish funerals. We could use some additional men and women to help.

Please consider being part of a team who would occasionally, as your schedule permits, provide one or more of the services listed below. Training, when necessary, will be provided.

Check all the duties you would be willing to perform. Return this form in the weekend collection basket or to the parish office.

If you have any questions, please call Diana Weber (515-291-8717) for information about funeral luncheons, or Mary Christy (515-231-4165) for information about assisting with parish funerals.
