3 Commitment of Treasure

PLEDGE OF FINANCIAL SUPPORT:

I support my parish in a spirit of gratitude for God's many blessings.

My commitment is: Intentional—based on a decision to live the Christian life.

Planned—my gift comes from my "first Fruits," not from what is left over.

Proportionate—my gift is from a certain percentage of my income.

The Scriptural ideal is the tithe, or 10% of one's income. Many parishioners give to a variety of charitable causes. A good guide to consider is 5% to the church and 5% to other charities. You are encouraged to use pre-arranged electronic withdrawals or offertory envelopes. They encourage consistency in giving and allow the parish to keep an accounting of your contributions. Contact the parish office to indicate your desire for electronic withdrawals or to receive envelopes.
